A Location As Unique As Your Event

Once serving as Earle Brown Farm's riding ring, the Carriage Hall has been completely restored and refitted, and serves as a flexible and completely column-free space that can be easily and quickly reconfigured to fit your event perfectly—be that an exhibit, trade show or corporate gathering.

The Carriage Hall offers 13,000 square feet of floor space, with a banquet capacity of 1,000, plus more than 4,300 square feet of pre-function and reception space. Sparing no expense, our restoration process included outfitting this grand space with exceptional audio-visual, lighting and sound equipment.

Additional meeting rooms are also available, providing you with even greater flexibility and more than 26,000 square feet of space. These rooms are located in the Stable, the H Barn, the G Barn, the Loft, and the lower level of the Carriage Hall.

And, for outdoor and seasonal events, the Carriage Hall is flanked by the courtyard, Heritage Center's exquisite historic grounds. You'll be captivated by the abundance of gorgeous flowerbeds, broad green lawns, antique streetlights and fountains.

With over 40,000 square feet of event space and the choice of 18 meeting rooms, the Heritage Center of Brooklyn Center is the perfect place to turn your next event into an experience.
